**1030 N State St, Unit 9J, Chicago, IL, 60610**

## ABOUT ME

I grew up in a family of self-made entrepreneurs. Because of that, I was told to think outside the box, never give up, and follow your heart. It may sound a little corny, but that is how I run. I love creating music, writing stories, coming up with future business ideas, and everything in between.

## WORK EXPERIENCE

**Real-Estate Associate: 2021 - Current**

*STEPHEN NEAL ~ FRIDRICH & CLARK REAL-ESTATE: NASHVILLE, TN*

- Go over interior design to make properties marketable and discussing options and scalability with contractors
- Research market trends and create technical reports
- Help in day to day tasks of the real-estate agent I work under
- Design/Create property flyers and marketing pieces for new properties
- Help with contracts for clients or other agents

**Law Internship: 2020**

*RCK LAW FIRM: JOLIET, IL*

- I lead my co-interns to complete case memos and pre-trial documents
- Shadowed attorneys and aided in their day to day
- Helped organize our firm to market at golf fundraisers in the summer
- Work on supplemental documents for depositions
